Bible Reading Plan

This Bible reading plan is to help you to grow 'spiritually' fit, or stronger throughout the year. Studies show that if you spend four (or more) days a week in the word that will grow spiritually stronger as a follower of Jesus.

Our desire with this Bible reading plan is that as one church we would literally be on the 'same page' as God speaks to us through His word.

FIRST 15

We want to encourage everyone to spend at least 15 minutes for their daily spiritual work out. But instead of giving the left over, why don't you give your 'First 15' minutes of the day before any distractions?

H.E.A.R

The living Word is always speaking to us through the written Word of God. The Spirit makes the logos (written) and speaks to us through the rhema (word made personal). The 'Hear' method helps us to hear what God is speaking and apply it to our lives.

Highlight

What jumps out at you as you go through your daily bible reading? Ask the Holy Spirit to speak to you and highlight the verses or words you sense God speaking to you through.

Examine

Examine and Observe the Scripture. Ask yourself, What is going on in the passage? Who is the author and who is he writing to? What are the circumstances and context of the writing? What was the original intended meaning of the text?

Application

Meditate on what God is saying to you and how it affects your life. Ask yourself four questions: a) Is there a truth to believe? b) A sin to repent of? c) A promise to claim, or d) A command to follow?

Respond

Respond to God by praying through the application, and following through with what He has spoken to you. (Pray & Obey)
